What Coaches Say about the Tournament...

“The Bob McVean Basketball Tournaments over the years have provided our program with a solid competitive experience. Playing against teams from other regions in a very well organized setting has benefitted us greatly heading into the next season.”

Chris Cardon
Head Coach Irondequoit High School

“We attend several tournaments each summer and this is the one my team looks forward to the most every year. Coach McVean and his staff are actively involved throughout the entire two days to make sure everything runs smoothly. The facilities, officiating, and competition are all top-notch”

Brett Sippel
Head Coach Wilson High School

“The Bob McVean Team Camp has been one of our recent favorites. The facilities are outstanding, competition superb yet balanced, officiating excellent, and most important, the tournament organization rates as one of the best. Bob does a great job of running a top notch weekend for an extremely affordable price. My players and staff look forward to a rewarding July experience the weekend of the Bob McVean Team Camp”
